

Holiday Greetings from OHS

This holiday season consider giving the ultimate gift to a homeless cat, a forever home! OHS has several adoptable cats who would be perfect for cozying up to on these cold winter nights.

Adoptable Cats

Adoptable Jewell is very affectionate and loves attention, treats and ear scratches. She likes to make conversation and loves to play with balls and mice toys which she chases around the house. Although she might initially be nervous and territorial in an unfamiliar or stressful place, you can gain her trust quickly with some gentle words of encouragement. If you are looking for a beautiful, social cat that loves to be with people, <u>Jewell</u> would love to meet you and talk to you!

Adoptable Oreo and Rocky will charm you and make you smile

from morning until night. Oreo is a super sweet girl who loves to cuddle and give you kisses. She is a purring machine! Rocky is less of a cuddler, but once he finds the perfect spot to lay on your chest he will let you know he's comfortable with loud purring. They love to play and are very active kittens. Oreo loves to carry toy balls around the room and is the adventurer. Rocky is always chasing his sister. They both get along with other cats. Adopt this bonded pair!

Adoptable Celeste is a little shy with people she does not know, but quickly warms up with a kind voice. She loves being pet and will give you gentle head butts to show how much she enjoys it! Celeste loves playing with wand toys, the laser pointer and the treat ball toy. She would make an excellent *only* cat in your home. Adopt Celeste today!

All cats adopted through OHS are vaccinated, microchipped and are spayed or neutered. If interested, fill out an <u>application</u> today!
