OHS Wildlife Rehabilitation Center Open House
37175 Hickory Street, Newark

Saturday, October 29th 2022
10am-2pm

Our Wildlife Rehabilitation Center is celebrating the 25th year of assisting orphaned and injured wildlife in the Tri-Cities. Thanks to our members, community support and very hard-working volunteers, we have taken in 25,000 animals since 1997.

Join us at our Open House on Saturday, October 29 and see first-hand what a wildlife hospital looks like beyond the lobby! The event is free and open to all ages. Learn about our local wildlife, take a behind the scenes wildlife hospital tour, do some nature crafts, enter our opportunity drawings, meet Phil the beekeeper and attend live ambassador animal talks.
