Historic Niles is going to the dogs on Saturday, July 20th—the Niles Dog Show, that is!

Any and all pooches are welcome to enter the funniest canine competition around with categories like Best Costume, Best Dog/Person Look-Alike and more. Their humans can enjoy merchant/info booths, kid activities, gift raffles, food vendors and the Fremont Police Department’s crime-fighting K9 demo.

Niles Dog Show also features amazing dog rescue groups from all around the Bay Area—come meet

Attention Tri-City K-6 Elementary School Educators!

It’s time to sign up for the 2019-2020 Kind News, the award-winning humane education newsletter. OHS sponsors subscriptions of this K-6 teaching tool at no cost to you.

Kind News issues are delivered to your classroom five times during the school year. The absorbing articles, colorful illustrations and activities inspire discussions on compassion, empathy and respect for all animals.

Sign up at https://ohlonehumane.society.org/humane-education/. You can also
Calling Artists and Crafters Who Love Animals!
Ohlone Humane Society will be offering a “Christmas in August” booth at the Niles Antique Fair this year. We would love to feature your donated pieces that reflect our animal/holiday theme!

REQUIREMENTS FOR DONATED ITEMS:
- Animal - and/or holiday-themed pieces.
- Original crafts or artwork only; no imports or purchased items intended for resale.
- Please, no pieces made from animal products including leather, other pelts, skins, feathers, hair, silk, etc. There is cruelty-free wool as well as sustainable yarns made from bamboo, cotton, hemp, Tencel, viscose, etc. for knitting and crocheting projects.
more info about how to drop off your artwork. Deadline for submittals is Sunday, July 28, 2019, but don't delay - booth space is limited!

Kitten Fosters Needed

Tri City Animal Shelter needs more fosters!

Kitten season is in full swing and Tri-City Animal Shelter's Kitten Nursery is packed to the brim! They currently have 50 kittens who are 4-8 weeks old who are awaiting foster homes where they will gain weight before adoption. These kittens are eating on their own or working towards it, can use the litterbox, and are enjoying lots and lots of playtime! Fostering kittens this age is as easy as it gets, and we only need your help for a few short weeks.

If you can welcome a litter (or singleton!) into your home, visit https://www.tricityanimalshelter.org/188/Fostering to complete our application then stop by the shelter to discuss next steps and maybe even take home a litter that day! We will provide all food, medication, supplies, and training.
