

Dear Jo,

As we reflect on another year of dedication, growth, and impact, Ohlone Humane Society is proud to share the milestones we've achieved with the support of our incredible community, donors, volunteers, and partners. This year, despite the challenges, we have remained committed to our mission of inspiring respect and compassion for all animals. With a renewed sense of purpose, and a group of very dedicated volunteers, we've continued to make a difference in the lives of those we serve, advancing key programs, expanding outreach, and creating meaningful change. This report highlights our successes, challenges, and the ongoing journey to create a brighter future for all animals.
